Spring, 1919

## One of the new ones

You men in France have probably thought a lot about getting back to the U. S. A. and into "cits" clothes again.

Here's what the men are wearing who have come back; waist-seam suits; single and double breasted; there'll be some live ones ready waiting for you; we'll see to that.

**Hart Schaffner & Marx**  
Chicago                      U. S. A.                      New York
