

Pill box of black felt and leopard

Fur goes to the head in a whole series of little hats created by Sally Victor, who frankly caters to every woman's love of luxury. Mink, leopard, and other furs add touch of glamour. Some are worn here by Vanessa Brown, star of "The Seven Year Itch," to demonstrate that furred hats can have many moods.

White mink, blue satin, plus a pink rose

Hats of Fur

Hit fashion top note for Vanessa Brown

A leopard tiara rests lightly
