A HOT PUNCH

Ingredients: One-half pint of rum, one-half pint of brandy, one-fourth pound of loaf sugar, one large lemon, one-half teaspoonful of nutmeg, one pint of boiling water.

Mode: Rub the sugar over the lemon until it has absorbed all the yellow part of the skin, then put the sugar into a punch bowl; add the lemon juice (free from pulp), and mix these two ingredients well together. Pour over them the boiling water, stir well together, add the rum, brandy and nutmeg; mix thoroughly, and the punch will be ready to serve. It is very important in making good punch that all the ingredients are thoroughly incorporated; and to insure success, the process of mixing must be diligently attended to. Allow a quart for four persons; but take this *cum*
